Office Memorandum • UNITED STATES GOVERNMENT

TO : Deputy Director

FROM : Deputy Director (Admin)

SUBJECT: Distribution of CIA Phone Directory

DATE: 24 January 1951

The secretary of Brig. Gen. Earnest Moore, Assistant for Production under the Directorate of Intelligence, U. S. Air Force, has requested two copies of the CIA telephone directory.

It has been Agency policy in the past that no copies of the complete directory be given to anyone but the Executive Secretary, National Security Council. The organizational section of the Directory has been extracted and sent to the members of the IAC and to Mr. Fisher Howe of the State Department, and at such times as the organizational picture has changed new organizational sections have been provided, and the old ones returned to CIA for destruction.

General Moore's secretary has been told that we will check into the matter and give her an answer. Do you wish to continue established policy or make some change for the future?
